

# BAGGER ATTITUDE. EVERYDAY CONVENIENCE

Prepare to unleash your inner rebel as you experience the epitome of two-wheeled coolness with the remarkable Rebel 1100T. Embrace the thrill of the open road as a low seat height and superior handling seamlessly merge with long-distance functionality and four selectable ride modes, allowing you to conquer any journey easily. You'll command attention wherever you ride with head-turning style courtesy of spacious hard saddlebags, and a commanding front fairing. Equipped with standard cruise control and anti-lock brakes and available in a host of new colors, the 2024 Rebel 1100T gives you the confidence to explore without limits. Get ready to embody the essence of adventure and embark on an unforgettable journey, proudly riding the pinnacle of Honda excellence.

## FEATURES & BENEFITS

### 1084cc TWIN-CYLINDER ENGINE

The Rebel 1100T sports an engine that redefines what a modern cruiser can and should be. The parallel-twin design is narrow and delivers torque everywhere from idle to redline. Proven in our Africa Twin, you'll have plenty of power grunt down low, but the Rebel 1100T cruises easily and revs like nothing else in the class.

### CRUISE CONTROL

With a bike like the new Rebel 1100T, you're going to want to get out and ride. That's why we've equipped it with cruise control, just like our Gold Wings. Kick back and cruise on the open road all weekend long.

### HARD SADDLEBAGS

This is what makes a bagger a bagger. The Rebel 1100T features a pair of integral, color-matched hard saddlebags that together hold 35 liters — more than enough for a weekend getaway, and super handy even if you're just riding around town. The top-opening, locking design is weather resistant too. Plus, they add an element of style that's undeniable — bags are what make a bagger a bagger!

### HANDLEBAR-MOUNTED FAIRING

The Rebel 1100T features a handlebar-mounted "batwing" style fairing that's an unmistakable part of its style. Plus, its additional wind- and weather protection make it perfect for longer trips.
