COMMUTE TODAY, EXPLORE TOMORROW.

Go anywhere with confidence and control on the XR150L. Built for riders of all skill levels, this approachable dual-sport thrives on city streets and dirt roads alike. Efficient and affordable to own, the lightweight XR makes every ride an invitation to explore — all backed by Honda's legendary reliability. One bike, two worlds, zero excuses. Let the adventure begin.

ALWAYS WEAR A HELMET, EYE PROTECTION AND PROTECTIVE CLOTHING. NEVER RIDE AFTER CONSUMING DRUGS OR ALCOHOL, AND NEVER USE THE STREET AS A RACETRACK. AND PLEASE RESPECT THE ENVIRONMENT. CURB WEIGHT	—	282 pounds (includes all standard equipment, required fluids and a full tank of fuel)

One Year Included Transferable, one year included, limited warranty
Optional Extended coverage available with a HondaCare® Protection Plan

FEATURES & BENEFITS

FOUR-STROKE ENGINE

Featuring a 149cc single-cylinder, air-cooled engine known for its toughness, this design offers excellent fuel efficiency and a wide powerband.

STREET-LEGAL FEATURES

While excelling as an off-road bike, it is also fully equipped for street use, complete with lighting, mirrors, gauges, and convenient folding footpegs for a passenger.

STANDARD REAR CARRIER

A tubular-steel rear carrier is standard equipment, providing a great platform to carry supplies, your work bag, a passenger helmet, and more.

LONG-TRAVEL FRONT SUSPENSION

The bike's fork is well-balanced, offering just the right amount of suspension travel to smooth out bumps and rocks on dirt roads or trails, while still maintaining a comfortable seat height of 32.8 inches.
